

“Welcome to the Kiwi owned Optometrists
with a real focus on Service”

Contact Lenses

Contact lenses provide a comfortable and affordable addition to wearing glasses. They can be a great alternative for work and are a great option for sport.

There are several options available to suit most lifestyles and budgets. We can advise you on the best lens to suit your needs. Book a Contact Lens consultation with Visique so we can advise you on the best lens to suit your needs. At Visique our aim is simple! We want you to enjoy the freedom contact lenses offer. We also want you to be given the support and care to ensure you get the most out of wearing your contact lenses.

Visique Optometrists and team members also wear contact lenses and appreciate the importance of advice and care. Plus as a contact lens wearer you can expect to earn Fly Buys rewards for every purchase over \$20 plus additional bonus points from time to time throughout the year. Call Visique now and become a valued customer!
